

President Obama ignored the law in releasing the Taliban 5.

Our constituents expect us to do more than complain about the President; They expect us to hold him accountable. They expect the Republican Majority to Take Action.

COSPONSOR the BIPARTISAN
HOUSE RESOLUTION
which
Condemns and Disapproves
the unlawful
Taliban 5 Transfer.

Supported by HASC Chairman Buck McKeon

- In testimony, SECDEF Hagel described the failure to notify Congress as required by law as a “breach of trust”.
- Resolution expressly condemns the dangerous transfer of the Taliban 5, making it more difficult to the release to be referenced as precedent.
